

# MILACRON®

## EQUIPMENT FINANCING

AFTERMARKET | AUXILIARIES | INJECTION MOLDING | EXTRUSION | BLOW MOLDING

### Products

- **Milacron / EFG offer specialty finance, leasing and rental products** designed to meet the unique needs of your industry. Payments structured in many ways including monthly, quarterly, deferred, step, season and extended term.
- **Rentals and Operating Leases**, such as the Fair Market Value Lease, can offer end of term flexibility with a clear path for your next equipment upgrade.
- **Capital Leases and Loans** can provide low monthly payments while maintaining the benefits of ownership and associated tax benefits. These options are ideal for customers with long-life equipment needs or businesses who want to structure monthly expenses to match their cash flow.
- **Complete Project Financing Available**
- **Progress payment Financing**
- **Coming Soon** – Export Finance to fund machinery purchases by US buyer seeking to send the machine to a location anywhere outside the US
