

BUYER DOES NOT ACCEPT ANY TERMS AND CONDITIONS OTHER THAN THOSE EXPRESSLY SET FORTH HEREIN, AND BUYER SHALL PURCHASE THE GOODS AND SERVICES ONLY UPON THESE TERMS AND CONDITIONS. ANY NEW OR ADDITIONAL TERMS CONTAINED IN ANY SELLER ORDER ACKNOWLEDGEMENT SHALL NOT APPLY AND ARE HEREBY REJECTED.

1. **Acceptance of Terms.** Receipt and acknowledgement of this purchase order, or the initiation of performance of same, shall constitute acceptance of this purchase order and of these terms and conditions.
2. **Delivery.** Seller shall make delivery of goods in accordance with Buyer's delivery schedule and shall perform the services within the time frame Buyer specified, or as otherwise mutually agreed by the parties. Time is of the essence. Seller shall promptly notify Buyer whenever it appears that Seller will not be able to deliver any part of the goods or to perform any part of the services on the date(s) specified. If Seller's delivery is delinquent, then the following liquidated damages for delay apply: If delivery is delayed by more than seven (7) days, Buyer may demand, as liquidated damages and not as a penalty, a lump-sum payment equal to one percent (1%) of the value of the delayed delivery for each week (or portion thereof) of delay, up to a maximum of ten percent (10%) of the value of the delayed delivery. The parties acknowledge that Buyer's actual damages from late delivery are difficult to ascertain and that the foregoing liquidated damages represent a reasonable estimate of such damage. Payment of liquidated damages shall not limit Buyer's other rights or remedies, including cancellation/termination of the purchase order or damages for non-performance.
3. Buyer, its authorized agents and/or customers shall have the right to inspect all goods ordered at Seller's facility or Seller's subcontractor's facility upon reasonable notice. Inspection by Buyer, its authorized agents and/or customers or the failure to make such inspection shall not relieve Seller of its contractual obligations herein.
4. **Acceptance of Goods.** Payment for the goods or services delivered hereunder shall not constitute acceptance thereof. Buyer reserves the right to inspect the goods within a reasonable time after delivery, but such inspection does not relieve Seller of its obligations under this Agreement. Buyer shall have the right, in its sole discretion, to reject any and all goods that are, in its sole judgment, defective or nonconforming. Acceptance of all or any part of the goods shall not be deemed to be a waiver of Buyer's right either to cancel or to return all or any portion of the goods at Seller's expense because of failure to conform to this order, or by reason of defects, latent or patent, or other breach of warranty or to make any claim for damages, including manufacturing costs and loss of profit or other special damages occasioned by Buyer. Such rights shall be in addition to all other remedies provided by law.
5. **Non-Conforming Goods.** Goods rejected as non-conforming, as well as goods supplied early, late, in incorrect quantities, or that are incorrectly labeled may be returned to Seller at its expense, and, in addition to Buyer's other rights, Buyer may charge Seller all expenses of unpacking, examining, repacking, and reshipping such rejected goods. For each non-conforming delivery, Seller shall remit to Buyer, as liquidated damages to account for the administrative burden that a nonconforming delivery creates, Two Hundred Fifty Dollars (US \$250) ("Admin LDs"). The Admin LDs shall be remitted as credit to Buyer's account with Seller. The parties agree that actual damages in such case are difficult to ascertain and that the Admin LDs represents a reasonable estimate of Buyer's anticipated administrative damages only and is not a penalty. The Admin LDs shall be in addition to, and not in lieu of, any other rights or remedies available to Buyer under this Agreement or at law. If Buyer receives goods whose defects or nonconformities are not apparent on examination, Buyer reserves the right to require replacement of such goods, as well as payment of damages. Further, Seller will reimburse Buyer for any and all expenses or damages it incurs resulting from or related to the rejection, correction or containment of any non-conforming goods or services.
6. **Delivery Terms.** The delivery, including packaging and freight, must be made to the specified destination free of charge, unless otherwise agreed in writing. The supplier bears the risk of transport. We are a SLVS waiver customer. The Seller is required to include our order number and other information specified in the order on all freight documents and delivery notes.

Seller warrants that it has good title to the goods supplied and that they are free and clear from all liens and encumbrances. Seller agrees that these warranties shall survive acceptance. All warranties shall be construed as conditions as well as warranties and shall not be deemed to be exclusive. Seller shall indemnify and hold Buyer harmless from all liability, loss, damage and expenses, including reasonable counsel fees incurred or sustained by Buyer by reason of the failure of the goods to conform to such warranties. Such indemnity shall be in addition to any other remedies provided by law.
8. **Service Warranty:** Seller expressly warrants that any services performed under this order will (i) be performed in strict accordance with the terms of the Agreement and (ii) be performed in a good and workmanlike manner, in accordance with the standards of care and diligence and the level of skill, knowledge, and judgment normally practiced by industry leaders. Seller further warrants that Seller, its employees and agents, shall be trained and, where applicable, certified, licensed, or otherwise authorized as necessary to perform the Services and shall perform the Services in a prompt, diligent, and workmanlike manner and in accordance with all applicable standards, rules, regulations, laws, ordinances, and codes and any requirements of Buyer. Seller shall, at all times, be solely liable for the acts and omissions of its employees, subcontractors, or agents while on Buyer property. Seller shall be liable for and shall pay Buyer for all costs, expenses, and losses sustained by Buyer arising out of any acts or omissions by Seller's employees, subcontractors, or agents.

- order and (at the Buyer's sole and absolute discretion) any other outstanding order; (b) to reject the goods or services (in whole or in part) and in the case of goods to return those to the Seller at the Seller's own risk and expense or require the Seller to collect those in which case, the Seller shall collect at its own expense within five days; (c) to require the Seller to repair, replace or re-perform (as applicable) the rejected goods or services (and these conditions shall apply to any repaired or replacement goods or re-performed services) or to provide a full refund of the price of the rejected goods or services; (d) to refuse to accept any subsequent delivery of the goods or services (including delivery of any outstanding installments) which the Seller attempts to make; (e) to recover from the Seller any costs incurred by the Buyer in obtaining substitute goods or services from a third party; and/or (f) to claim damages for any other costs, loss or expenses incurred by the Buyer which are in any way attributable to the Seller's failure to carry out its obligations under the Agreement.
11. **Product Liability and Insurance.** Under the terms of the supplier's liability for damages in section (1) the supplier is also required to pay all expenses incurred in connection with a recall campaign conducted under the terms of sections 683, 670 BGB [German civil code] and under the terms of sections 830, 840, 426 BGB. As far as possible and feasible we will inform the supplier of the content and scope of recall activities and the supplier will also be given the opportunity to comment. Other statutory claims remain unaffected. The supplier must also maintain a product liability insurance policy with a coverage of 10 million EURO per incident of personal or property damage. The supplier simultaneously assigns all damage claims arising from this insurance to us; we hereby accept the assignment. If we are entitled to additional claims for damages, they remain unaffected.
 12. In the event Seller neglects to execute any services properly or otherwise fails to perform any provision of an order (including failure to complete the work within the specified time), Buyer shall be entitled to serve the Seller with five days' written notice, and without prejudice to any other right or remedy it may have, to take over the work, make good such deficiencies and deduct the cost of this from the payment thereafter due to the Seller.
 13. **Indemnification.** Seller shall indemnify and defend Buyer and its affiliates including their directors, officers, employees, and agents (collectively the "Indemnified Parties") against any and all liabilities, losses, costs, expenses, or damages whatsoever (including expenses and reasonable fees of legal counsel) (including attorneys' fees) ("Claims") arising out of the acts or omissions of Seller or Seller's representatives.

If Seller cannot procure the usage right on commercially reasonable terms, Seller shall: (i) modify the product or good to make it non-infringing, but functionally equivalent; (ii) substitute the product or good with a replacement that is non-infringing, but functionally equivalent; or (iii) if Seller cannot accomplish item (i) or (ii) above to Buyer's sole satisfaction, refund amounts paid by Buyer for the product or good.

To the extent the work is not deemed a "work made for hire," Seller hereby irrevocably assigns to Buyer all right, title, and interest worldwide in and to the Work Product, including all associated intellectual property rights. Seller shall execute any documents reasonably requested by Buyer to confirm or perfect Buyer's ownership of such rights.

To the extent Seller's contribution is predominant under applicable law, Seller hereby transfers proportionate ownership to Buyer and shall hold any remaining ownership interest in trust for Buyer. All tools, molds, fixtures, and equipment provided by Buyer remain Buyer's exclusive property and may be used by Seller solely for the manufacture of goods ordered by Buyer.
